

WBK 2020 HYGIENE CONCEPT

Visitors, general requirements:

- Wear mouth and nose cover
- Keep a safety distance of 1.5 m
- frequent disinfecting and washing of hands
- Observe cough and sneeze label

Visitor admission:

- Advance ticket sales online if possible
- Visitors with tickets purchased at the box offices and holders of online tickets are admitted via separate entrances to avoid queues
- The opening hours are from Thursday to Saturday from 10 - 18 hrs and on Sundays from 10 - 16 o'clock, box office opening 1 hour before
- The maximum number (1285) of visitors present in the halls at the same time will be controlled at entry and exit

Exhibitor:

- Keep a safe distance
- Wear face visor
- frequent disinfecting and washing of hands
- Observe cough and sneeze label
- payment transactions as cashless as possible
- Provision of disinfectant at the stand for customers and staff
- Registration of all persons working on the stand

General information:

- Avoiding the formation of excessively long queues by opening a sufficient number of checkouts already one hour before the opening of the WBK
- Walkways between the stands 5 m wide, so that visitors have sufficient space to maintain the minimum distance
- Multilingual information on clearly visible notices and regular announcements about the obligation of exhibitors and visitors to observe the distance and safety requirements
- Security personnel to monitor compliance with the above regulations, also in the outdoor area
